Location and Activities For Children During Finale?

Once carpool is complete, all children enrolled are dismissed to the Finale After School Program from their classroom. Children that do not have a completed registration form on file will be unable to participate in Finale and/or Encore and a parent will be notified to come pick up their child.

Once all children registered for the Finale After School Program and Finale Encore are signed in they will participate in a variety of monthly themed activities including homework, art, science, athletics, and games. We will utilize areas such as the field, classrooms, and multi-purpose rooms. Children will be separated age-appropriately and divided into separate areas.

Children will be utilizing the playground/outdoor equipment on campus at the school, which may not meet minimum standards. When utilizing the outdoor garden area, children will walk in a straight line with one counselor in the front and one in the back to maintain line of sight at all times. Children will not be in contact with surrounding foliage. Children will not run, jump, climb or participate in any high activity game while in the garden area. Counselors will set clear boundaries and maintain line of sight at all times.

These activities will include: Art, Science, Homework, Indoor/Outdoor Group Games, Daily Snack*.

Early Childhood will follow their own schedule and be separated from the 1st-5th grade children. 1st-5th graders will be split into age appropriate groups throughout the afternoon and follow their own schedules.

Children who are ONLY registered and paid in full for the Encore Club Program will be dismissed to Finale on Encore specific days and have a snack prior to participation in the specific club.

Medication

If your child will be taking medications of any kind during the Finale After School Program, a Medical Dosage Form must be filled out. This form must be turned into the Lead Counselor on-site with the medication in its original container before the medication will be dispensed.

All medications will be dispensed by the Site Director as per your instructions. This includes over-the-counter medications such as Tylenol and Benadryl. Medical Dosage Forms will be made available upon request.

Student immunizations are kept on file at the school and are not required to be re-submitted to Kidventure.

*Per Kidventure policy, Kidventure After School staff members are not permitted to apply sunscreen or bug spray to students. We highly encourage that sunscreen and bug spray be applied prior to attending After School.

Sick Child at Finale After School

From time to time, children may become ill or do not feel well. At Finale we have a designated First Aid/ Sick Station, where he or she will be isolated from the other children and allowed to rest. If your child is sick, we will notify you and in some cases we will ask you to pick up your child.

Picking Up Your Child

Pick up for all programs (Finale and Finale Encore) will take place between the East and West Halls. A family number will be given to those individuals designated on the after school registration form and will need to use this number to electronically sign out their child(ren) using the Kid Kiosk system. Please be prepared to show ID to ensure the safe release of all children.

Finale After School and Finale Encore will run until 6pm each day we are in session. Encore will run until 5pm on specific days.

Please note: Any child in attendance after 6pm will be charged a \$1/minute fee per child. This fee will be paid directly to the staff (cash or check) that stayed with that child. Habitual lateness may result in an increase in the

\$1.00/min/child late fee payment and/or expulsion from the After School Program.

Discipline and Conduct

We understand that children are tired after a long day of school, but the same courtesy and respect practiced throughout the day should remain consistent in the After School Program. Kidventure's disciplinary action is a three-strike system, which is age appropriate.

1. Warning
2. Consequence (Time out-1 minute per age, sit out of activity, etc.)
3. Call Home

We work closely with school staff and the principal on needed discipline and conduct issues.

If the child is consistently having disciplinary issues, suspension or expulsion from the program may be necessary. Certain offenses including but not limited to: fighting, using vulgar language and/or demeaning any other child or adult, running away or posing a threat to himself or anyone else, may result in immediate suspension or expulsion from the program. *If a child will be suspended or expelled from the program, the Program Coordinator will always be in contact with the parents and/or principal in deciding the appropriate consequence, but it is ultimately up to the Program Coordinators discretion.

Parent Visitation

Parents are welcome to visit the Finale After School Program at any time during normal hours without prior notice or approval to observe their child, observe the operation and/or program activities. If parents would like to participate in program activities, you must coordinate with the Kidventure Office or the Site Director before participating.

What are the Qualifications of the Finale After School Staff?

The most important part of your child's after school experience is their staff. Kidventure prides itself on selecting experienced, active and caring individuals for its programs.
